It has been lovely to have our new headteacher, Mr Walton-Jonas, visit us in school today. He is really looking forward to meeting everyone properly!
We can't believe how quickly this term is flying by – only one half term left. We hope you all have a lovely week off and we will see you on Tuesday 6th June. Mrs Johnson ☺

Attendance Competition

We are lucky to have been selected by Sunderland City Council once again to take part in their annual West Area Event at Barnes Park at the end of June and have been awarded a number of free tickets. This year, we will be choosing the **two classes that have the best attendance** for the whole year, leading up to 23rd June, to attend this trip. The top four classes are extremely close - this means that every school day really does count as it all could change over the next few weeks! Good luck everyone!

#BJSLeavers2023

It's been a busy few weeks for our Year 6 children, who worked hard every morning from Tuesday 9th May to Friday 12th May to complete their end of KS2 SATs papers and now we still have a few more weeks of hard work and dedication to go as their writing assessments are being finalised. Well done Year 6 and keep going!

As the weather is warming up, we are enjoying being outdoors a little more and know how good fresh air, sunshine and playing out with our friends is for our wellbeing.

We have a treat each week up until the end of term, which is really exciting! From ice-creams and hoodies, to Nerf parties and water fun, there really is something for everyone.

Parents – please keep an eye out for the Year 6 summer calendar, which will be heading your way very soon.
