IMPORTANT Online Safety Update

Dear Y6 Families,

It has been brought to our attention that children within the year group are accessing social media to send inappropriate messages to one another.

Whilst much of this does not impact directly upon relationships in school and may not be relevant for some, it has been shocking to hear examples of some of the language included within social media forums.

On that basis, we have felt it necessary to bring this to everyone's attention so that families can check their child's devices carefully and frequently.

Attached, you will find an Online Safety Guide which highlights some key facts and figures.

Our curriculum focuses on this important element; however, it is essential that we have support from families outside of school to instill positive online behaviour.

To further support, please access the QR code below which will direct you to a Parental Control Guide. This showcases the different devices, and apps, that children may use. Helpfully, it explains how to set parental controls on each.

Yours sincerely,

Mr. D Walton-Jonas
Headteacher
