Work Hard | Be Kind | Shine Bright

Monday 10th March 2025

Dear Families,

Science Showcase – Friday 14th March 2025

This week is **British Science Week**. Our school proudly boasts the Primary Science Quality Mark (PSQM) and we would like to share your children's knowledge and achievements with you. You are warmly welcomed into school on Friday 14th March where you will be able to take part in some science activities with your child in their classroom.

Gates will open around 1.15pm. Please enter school via the following doors:

Year 3	Year 4	Year 5	Year 6
3JM – Door B 3LH – Door B 4CL – Door B	4HG – Door C 5ZG – Door C	5ES – Door D 5GR – Door D	6BP – Door E 6CJ – Door E 6SW – Door E

Due to space within school, we can only allow **ONE** adult per child to work with them. Classrooms aren't designed for big numbers like this so we appreciate it may be a squash and a squeeze but we will do our best to make this a great afternoon for you all.

Where children have siblings in school, there will be plenty of time to go between classes and to spend time with them.

When you have finished your activity, you are welcome to leave with your child/ren. As gates will close shortly after 1.00pm, for safeguarding reasons, we would request that families exit via our school office. As this is staggered, we don't foresee this being an issue.

Thank you for your continued support.

Yours sincerely,

Mr. D. Walton-Jonas
Headteacher
