ISSUE 16

Headteacher's Welcome

This month, we have been wishing everyone a Happy New Year and we are looking forward to the next steps for our school in 2025.

It has been lovely to welcome families into school more this month where we have seen Learning Presentations begin and our OPAL Play Dates have got off to a start. We hope that you are all able to make the dates that have been shared with you all in December – each class will get a turn as the year goes on.

Thank you to everyone who contributed to our parent questionnaires last term. Now, a summary of these responses have been shared via our school website. You will find this via *Parents > Parent Questionnaires*

Best wishes,

David Walton-Jonas

⚠️ SCHOOL SAFETY REMINDER ⚠️ KEEP OUR CHILDREN SAFE

A couple of parking reminders which are designed to keep our pupils safe.

A big thank you to many of our families who do adhere to the rules of the road...

- No parking on single or double yellow lines
- No double parking
- No stopping, dropping or parking on the SCHOOL KEEP CLEAR yellow zig zags
- No parking on corners or junctions especially near the school entrances
- Please do not block driveways

Cortina Avenue is a **ONE WAY** road. Please do not U turn out as this could, and has, caused an accident.

Lovely Learning Presentations

This month, we have seen the start of our Learning Presentations. Year 6 have kick started our fortnightly cycle where we plan for everyone to see a presentation of their child's learning this year. It is a great opportunity for children to share their achievements, for families to take part in the life of our school and for children to speak to a wider audience.

Our school is a busy place where, during these presentations, it is amazing to see the wonderful things that our children do – and achieve – each and every day!

Welcome to Sunderland College Sports Students

The students from Sunderland college commenced their sessions with Year 5 this week. They took part in a variety of ball games and looked at different skills we needed- footwork and hand eye coordination was essential! Children completed a carousel of activities that included some competitive games too.

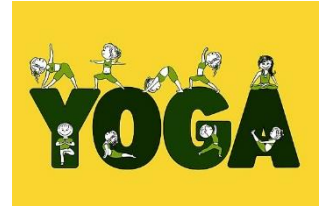

We are already looking forward to our next sessions!

Our very talented Mr McCabe has released a new single, please take a listen via the QR code.

Year 3 - Yoga

This term, Year 3 are learning about mindfulness and wellbeing through Yoga. Lisa, our Yoga teacher, has been able to return to school this term and will be enhancing our work in this important area.

Well done, Year 3!

OPAL Play Dates

This term, we have seen the start of our Play Dates. It has been wonderful for our Year 3 children to start this by showcasing some of the growing opportunities for play that are available at Broadway.

Why is this something that we're doing?

Increasingly, children play with their electronic devices and have limited time, or access to, outdoor spaces where key skills can be developed. At our school, we hope to become a haven of opportunity for children to develop essential social skills (through play) where they can be creative, imaginative, excited and learn to take reasonable risks. Only recently, our school community has started to play together as a whole school. We want older children to be role models for our younger children, we want children to share and resolve any differences with respect, we want creative spaces where learning Shines Bright beyond the classroom – and with purpose. We want you to be part of it all. Thank you to those families who attended.

Book Talks

This half term, we have been developing our children's oracy skills through our 'Big Up You Book' - Book Talk sessions. These sessions provide a wonderful opportunity for children to share their thoughts, opinions and ideas about the books they are reading. Children are encouraged to articulate their thoughts, actively listen, and express opinions coherently. The children have also produced class presentations focussing upon persuasive language, effective voice projection and body language. We encourage you to support your child by talking with them about the books they are reading, fostering a love of both reading and speaking with confidence. We have really enjoyed seeing our children shine during these sessions!
