Hi!!

Special Diets

If your child has a special dietary need related to a medical condition, allergy or intolerance and you wish them to have a school meal, please provide a written request to your school from the Medical Authorities (City Hospitals Dietetics department/GP).

The school will also ask that you complete a diet authorisation form. Both of these documents must be produced before the service can provide the special diet.

Free School Meals

If your child is in Reception, Years 1 or 2 then they are entitled to a free school meal.
