

# BROADWAY BULLETIN

June 2025 Edition

ISSUE 21

## Headteacher's Welcome

With only one month remaining of the academic year, we have so much to be proud of here at Broadway. This edition, again, is filled with so many ongoing achievements which are celebrated here week after week. You should have already received a Welcome Letter from your child's next class teacher – we are excited to host our Move Up Days on 1<sup>st</sup> and 2<sup>nd</sup> July. During these days, children will take part in transition activities and they'll get to know their next class teacher a little – don't they grow up so fast?

### School Reading Books

As the end of the school year approaches, please ensure that any school books are returned back so that they can be sorted and organised for children in September.

### School Improvement

We are delighted to be sharing our school's best practice with colleagues across the city. I was delighted to be asked to present at a local leadership conference this term where Broadway has been recognised as a place that truly does Shine Bright.

Best wishes,

*David Walton-Jonas*

Congratulations to Mrs Gardiner who has recently announced to staff that she is expecting her second child, due in the Autumn Term. We are wishing Mrs Gardiner lots of well wishes at this exciting time!

## !! Parking !!

Following complaints from local residents, please be reminded that courteous, safe and legal parking around our school site is vital to ensure everyone's safety. Traffic wardens have been deployed to the area at key pick up/drop off times so there is a risk that illegal parking will be picked up on and fines issued.

Thank you for your cooperation and understanding.

### Year 5 Holy Island

This half term has been very exciting for Year 5 and the children had the opportunity to visit Holy Island. During this visit, they learned more about the history of the island, St Cuthbert and the priory. They discussed why the Vikings chose to invade Lindisfarne and explored the physical features of the coast. Overall, this was a fantastic day for the children.

### Community Garden Visit

A small group of pupils came together at Pennywell Community Gardens to lend a helping hand in planting new greenery. With trowels in hand, and smiles on their faces, they worked side by side with volunteers to dig and plant a variety of flowers. Their efforts not only brightened the garden but also brought a wonderful sense of teamwork and community spirit to the morning.

## Sunderland Sings

Some of our Year 3 children were lucky enough to take part in the 2025 Sunderland Sings event at Sunderland Empire Theatre. The theme of this year's event was 'songs of friendship' and the children enjoyed singing a range of beautiful songs alongside pupils from many other schools from across the city.

## Dance Festival

We arrived bright and early at the stage door to take part in Sunderland School Dance Festival. Our girls performed an amazing dance following the theme of, "Dancing through Time" where they showcased an outstanding variety of dance styles from the 1920s all the way to current day.

Miss Smith has been so impressed with each and every girl's dedication and can't wait for next year's collaboration already.

They are all stars in the making!

## Make Life Kind

This month, we invited Loti Nambombe (from Unbottled) to deliver some Make Life Kind workshops. Following a whole-school assembly, we looked at how different aspects of our lives can affect how we develop and progress. He delivered some excellent anti-racism activities and showed us how important it is to simply be kind to one another.

What a great morning we had!

## Nissan Visits

Year 6 enjoyed a brilliant day at Nissan, where they learned about the importance of teamwork, participated in a production line and also built their own car. During a tour around part of the factory, they met the amazing Woody the Robot, who impressed us with his drawing skills! Thank you to the Nissan staff for a fantastic 'Monozukuri Caravan' course.

## Year 5 Roker Visit

Year 5 had an amazing trip to Roker, thanks to our partnership with The Tom Cowie Foundation, learning all about the coast. They learned all about rivers meeting the sea, coastal erosion and local marine life.

Spending time rock pooling in the sunshine, with the help of our guides from the Wear Rivers Trust, was absolutely wonderful!

## 6CJ Play Date

## Clothes Bank

Please could you have a look at home to see if you have any good quality pre-loved clothes, shoes, bags, belts and accessories that you could donate and pop them in our clothes bank at the Cortina Avenue gate. Items must be put in a bag/bin liner first. We also have bags that you can ask for. We will be raising money for school funds through this scheme so every item really does count! Please note that uniform CANNOT be put in the clothes bank but, as always, we will gladly take any good quality pre-loved uniform and make sure it goes to a good home. Thank you.
