

Termly Learning Leaflet

Year 5

Autumn Term 2025

This term, in Year 5, we will be reading...

Reading

In order to reinforce learning, your child will be given a reading record book. Reading is exceptionally important and it is imperative that children are reading regularly, hopefully for 10 – 15 minutes at least 5 times per week. It would be really helpful if you could listen to your child read and record this in their home reading record. Reading records are to be returned every **Monday** morning. Children will bring a book home from school, but they are also quite welcome to read any books or magazines they have at home.

Homework Expectations at Broadway Junior School

Children will receive homework each Monday to be returned the following Monday. Homework will usually be set using an online platform such as Purple Mash or Times Tables Rock Stars. The work will be explained and discussed in class before the children leave school; it may be a continuation of classwork, or a task to consolidate learning. We would really appreciate your support in ensuring your child completes and returns their homework on time.

Spellings

In order for you to support your child at home, the children will receive a half termly spelling list. Spellings are tested every Friday.

PE in Year 5

Classes **5ES** will participate in P.E on **Thursdays**. Your child will need to arrive in school wearing their kit. PE lessons will take place inside and out, dependent on the weather so your child's choice of kit should reflect this. Trainers will be required for all pupils, with black tracksuit bottoms, shorts or joggers (leggings for the girls) along with their regular uniform top (or white t-shirt).

Swimming

This term, children in **5SS** will participate in swimming at Sandhill View Academy on **Thursday**. On the day of their session, they should bring swimwear, a towel and a swimming hat.

5 Ways to Wellbeing

Anti-bullying week will be celebrated in school from WB 10th November where the children will take part in a range of different activities during this week. Children will also take part in My Happy Mind lessons on Mondays.

Curriculum Enrichment – Our Plans...

The children will visit a church as part of Harvest Festival Celebrations. Details to follow.

After School Clubs

This term, Year 5 children can attend an after school club Mon - Thurs, 3pm-4pm. A separate letter will give further detail.

Our Curriculum in Year 5 this term...

In reading we will...
Scan a text to identify a word or phrase from reading and give alternative meaning for it. Identify language, including figurative language the writer has chosen for impact and discuss and evaluate the impact on the reader. Deduce characters' thoughts, feelings and motives for their actions.
In writing we will...
Plan and tell a story demonstrating awareness of audience by using techniques such as recap, repetition, humour or suspense. Plan, compose, edit and perform a poem/poems focusing on projecting their voice to a large audience. Write in the style of a particular author, organised into chapters, extend ways to link paragraphs using adverbs and adverbial phrases.
In mathematics we will...
Recognise and write decimal equivalents of any number of tenths or hundredths. Find the effect of dividing a one or two-digit number by 10 and 100. To become competent in multiplying and dividing numbers up to 4 digits by a one or two digit number, using short multiplication, long multiplication and short division.
In science we will...
Describe the movement of the Earth, moon and other planets. Describe the sun, Earth and moon as approximately spherical bodies. Use the idea of the Earth's rotation to explain day and night. Explain that unsupported objects fall towards the Earth because of the force of gravity. Identify the effects of air resistance, water resistance and friction.
In RE we will...
Explore what does it mean if Christian's believe that God is loving and Holy. Learn what it means to be a Muslim in Britain today.
In geography we will...
Children will learn the names and locations of the world's principal mountains; the main features and types of mountains and how some people have adapted to life in mountainous areas.
In history we will...
Learn why, where and when the Scots and Anglo-Saxons invaded Britain, what can be learnt about them from the Sutton Hoo burial site and all about life in Saxon Britain.
In music we will...
Year 5 pupils to develop skills in singing in parts, listening closely to others, exploring sound sources, and composing short musical pieces.
In art we will...
Using 'Retro Futurism' and illustrations of Space and the future, Children will explore a range of Art work to create their own compositions using a range of different mediums.
In DT we will...
Children will investigate toys with moving cam mechanisms. Look at cam mechanisms and construction. Design a toy that includes a cam mechanism in its design.
In computing we will...
Children will learn about computing systems & networks systems. Children will work towards creating their own game using code. Online safety and wellbeing will include themes such as online reputation, self-image and identity and online bullying.
In French we will...
Learn new vocabulary to describe family. Children will also learn days of the week, months and numbers in order to write the date in French.
In PSHE/RSHE we will...
Safety and the changing body will make up Autumn curriculum. Children will learn to be safe online, changes about their body, including staying healthy. A focus on wellbeing will be throughout alongside discreet lessons.
In PE we will...
The children will develop and apply their ball skills and reaction and response through focused skill development sessions, modified/non-traditional games and sports and healthy competition. When Swimming, children will use a range of strokes effectively, for example, front crawl, backstroke and breaststroke.

Please speak with Miss Smith, Mr Scott or Miss Suddick directly if you have any specific questions about the intended curriculum in your child's year group.

We look forward to welcoming you all to the school for our events in the coming weeks and months. Please remember to keep up to date with the monthly Broadway Bulletin and ensure we have your correct contact details at all times so you remain well informed.
