Work Hard | Be Kind | Shine Bright

Friday 7th November 2025

Dear Families,

We are pleased to let you know that during the week beginning Monday 10th November, our school will be taking part in **Anti-Bullying Week**. As part of this important event, we will be welcoming **Diversity Role Models** into school to work virtually with our pupils. During their visit, the role models will be sharing their unique life experiences to help children understand the importance of inclusion, kindness and respect for others. If you would like to see the material that they are planning to deliver (on Wednesday and Thursday), please contact our school office who will be more than happy to share the content of the session with you.

To launch the week, we invite all pupils to take part in **Odd Socks Day on Monday**. This is a fun and simple way for children to celebrate what makes each of us unique while reinforcing the message that it's good to stand out (for the right reasons) too! Additionally, we have invited our **Healthy Heads** team into school where children will take part in confidence and resilience workshops.

In addition, this week is also our school's **Interfaith Week** and we will be learning about, and celebrating, a range of world religions and beliefs. This supports our ongoing commitment to promoting, understanding and respecting everyone within our school community. This has been a huge success in previous years so we can't wait to welcome our visitors once again.

Finally, **on Friday**, we will be recognising **Children in Need** by inviting children to wear **yellow**. Further details about activities and fundraising will be shared separately but children are welcome to join in and help support this important cause via a donation bucket on our school gate that morning.

We look forward to a meaningful and enjoyable week ahead. Thank you, as always, for your continued support.
