

School Achievements in 2023-2024

We have been inspected by Ofsted (October, 2023). We are a 'Good School'.

We have committed **thousands of pounds** to ensure all year groups still attend at least 3 school trips across the year.

We were granted **£10,000** to develop our school building – we have introduced a beautiful, new Library!

We have introduced a Wraparound for families who require this and have **secured funding** to maintain this moving forwards.

We have enhanced our 'in school' offer where **visitors regularly attend** to enrich our curriculum. Pupils meet and experience a diverse offer.

We **have lots of opportunities** for families to come into school: Meet the Teacher, Coffee Mornings or **Crafternoons**, for example.

Attendance is **above national averages** for 23-24. We have reduced the numbers of pupils who miss school persistently.

We celebrate success as a school, weekly, and with **lots of rewards available!**

We are Award Winning! We have achieved a Quality Mark for Science, PE, Music, Computing amongst many more...

Y6 **Maths** results were the **BEST** that the school has seen in over 5 years – 81% of pupils achieved the 'expected standard' or above.

We **DOUBLED** the number of pupils who achieved FULL MARKS in Year 4's Multiplication Check.

Our OPAL play initiative has improved provision for pupils – pupils have **15 more minutes per day** to develop key, social skills.

Early Reading/Phonics has received a **£6,000 investment**. We have everything we need so pupils make a 'flying start'.

We maintain support via the Healthy Heads Team, allowing children to access **mental health support** within reduced timescales.

We are a '**Problem Solving School**' which **recognises** our commitment to providing everyone with essential **maths** skills.

Our Pupil Parliament is well established and our **pupils have a voice** for the change that they want to see at Broadway Junior School.

We **support many charities**, raising funds for great causes and we continue to be supported by Greggs to offer a **FREE Breakfast Club!**

We have a **stable, longstanding, approachable staff team**. Wellbeing is at the heart of everything we do, for everyone.

The monthly Broadway Bulletin boasts our ongoing achievements. Our **school calendar is well organised and communicated** so families can plan.

Our staff participate in quality professional development, accessing **nationally recognised** qualifications which lead to **school improvement**.

School Improvement Partners have quality assured our school's practices, including **Safeguarding**.

We have appointed a new **SENDCo** and **transformed our paperwork, processes and provision**. The school's rooms/spaces have been improved.

Unlike many schools, we are now **fully subscribed** in many year groups. There are only 7 spaces remaining in our whole school!

A **new, school website** has been developed which provides access to statutory and important information for everyone.
