February 2026 Edition

ISSUE 28

## Headteacher's Welcome

As we embarked upon a new month, it is easy to think that February is a little shorter than all other months – it hasn't stopped us having a jam packed, enjoyable school calendar here at Broadway. This edition is packed with the **wonderful opportunities** that have been provided for our children this month. I am sure that you would all agree... this is an impressive school offer filled with opportunity!

This month, we have welcomed many new children into school where families are coming from further afield than ever to join our school. I would like to extend a warm welcome to those who are new to our school. 😊

For me, this month has been a busy one. It is the time of year when we set our school budget for the next financial year. I am keen to see our school grow, develop and improve so will keep you all posted on our development plans. Equally, my work within the local authority has been developed further and I am delighted to now be a member of the Association of Education Advisors (AoEA). This is another wonderful opportunity for our school to **Shine Bright**.

I, the team here and governors wish you all a restful half term break. We re-open on **Monday 2<sup>nd</sup> March 2026**.

Best wishes,

*David Walton-Jonas*

## Internet Safety Day

Pupils at Broadway Junior School marked Internet Safety Day 2026 by exploring the role of artificial intelligence in everyday life. The children learned how AI can be used safely and responsibly, and discussed how it may help complete many tasks in the future. A key message of the day was the importance of checking information carefully, as AI can sometimes make mistakes.
