Dear Families,

School Management Information System

We have informed you all via our latest Broadway Bulletin that we have made a change to our back office systems. This, with time, will be the best next step for our school including communication and payments etc.

Whilst we do not expect families to experience much difficulty – or even notice – we have had some inevitable teething issues. We apologise if you do get any unexpected requests or have issues with payment systems as we are setting up the systems; we are working hard to make sure that everything is running smoothly.

As we approach a new academic year, in September, we will be in touch with newly revised ways of working and we do expect you to find this very easy. For now, if you're having any difficulty, our school office will be more than happy to help or support.

Yours sincerely,

D. Walton-Jonas
