Dear Families,

New PE Kit Launch – September 2026

In preparation for September 2026, we are launching a new, active PE kit.

I have attached, overleaf, a price list and included some of our new designs below.

Why are we doing this?

- Our current cotton white t-shirts are not as durable or breathable as we would prefer. With time, they become grey and washed out meaning families often buy multiple items per year. With our new tops, families could easily re-use one per academic year – it will be more cost effective this way.
- The new tops will be made from a breathable material – similar to most major brands – and will therefore be far more comfortable.
- The new kit will not require any ironing.
- The quarter zip jacket will be smart and keep children warm in the colder months.
- The items can be customisable with initials (with discussion via Total Sports and would incur an additional charge).

The feedback that we have had on our new items have been very positive. Throughout the summer term, there will be opportunities to see samples and check them out a little more too.

Yours sincerely,

D. Walton-Jonas
