Work Hard | Be Kind | Shine Bright

Hello everyone,

My name is Mrs Giles and I am so excited to be your new class teacher in September! I can't wait to meet you all and begin our Year 4 adventure together in Class 4HG.

We will also be working with Mr Lindstedt, Mrs Cooper and Miss Henry, who are all looking forward to getting to know you too.

We have lots of exciting things planned for next year. In English, our chosen author will be David Walliams. He has written lots of brilliant books, but my favourite is *Demon Dentist*. I wonder if any of you have read it already? Some of my favourite subjects are Maths, English and Science. In fact, I am the Science Lead at Broadway because I love science so much! In Year 4, we will become real scientists by carrying out practical experiments, making predictions and investigating lots of interesting questions. Our first Science topic will be **Sound**, where we will discover how sounds are made, how they travel and much more. There are plenty of other exciting things to look forward to as well. In History, we will travel back in time to learn about the **Ancient Greeks**. We'll explore Greek Gods, myths and legends and find out how the Ancient Greeks have influenced our lives today. In Geography, we'll continue to learn about our amazing world and discover new places and cultures.

A little bit about me... I feel very lucky because I have been teaching at Broadway for 26 years, that's a very long time but I absolutely love our school and wouldn't want to work anywhere else. When I'm not at school, I enjoy spending time with my family. I have two boys of my own, and we love doing things together. I also enjoy reading, eating out and travelling. My favourite places to visit are the beautiful Greek Islands and the towns, villages and beaches of Scotland.

Year 4 is going to be full of fun, challenges, exciting learning and wonderful memories. I can't wait for us to meet tomorrow and begin to get to know each other. See you soon!

Mrs Giles
