Year 6 SAT Results

Dear Y6 Families,

I am writing to share the very disappointing news that we have been informed by the Department for Education that their online marking systems have, this year, failed to ensure all papers nationally have been marked in time. Results were due out to schools on 7th July where we would have then aimed to turn around our end of year reports and share children's hard earned scores. I believe that this is due to systematic failures within back office processes that have been in place. In turn, it is important to share that this is entirely out of our school's control and is an issue impacting on every Year 6 result across the country.

We have been informed that results will be sent to schools on 16th July instead. However, this does not align with my intentions to send out our whole school reports on 15th July, as planned. I have therefore taken the decision to delay the finalisation of our Y6 end of year reports to Monday 20th July which will allow us time to process results and share them alongside your child's final report.

Year 6 teachers will sit 1.1 with all of our children to share their outcome in each test on 16th July when the results are released to us. We will aim to find a way to share these with you too as I am sure you'll be keen to know how they have done.

I can only apologise that this issue has had an impact upon our school's plans yet I am sure Headteachers across the country are now considering the best ways to change their carefully crafted school plans.

As always, trust us to get this right for your child.

Yours sincerely,

D. Walton-Jonas

Headteacher
