

Termly Learning Leaflet

Year 4

Autumn Term 2026

This term, in Year 4, we will be reading...

Reading

In order to reinforce learning, your child will be given a reading record book. Reading is exceptionally important and it is imperative that children are reading regularly, hopefully for 10 – 15 minutes at least 5 times per week. It would be really helpful if you could listen to your child read and record this in their home reading record. Reading records are to be returned every Monday morning. Children will bring a book home from school, but they are also quite welcome to read any books or magazines they have at home.

Homework Expectations at Broadway Junior School

Children will receive homework each Monday to be returned the following Monday. Homework may be set using an online platform such as Purple Mash, Accelerated Reader or Times Tables Rock Stars. The work will be explained and discussed in class before coming home; it may be a continuation of classwork, or a task to consolidate learning. We would really appreciate your support in ensuring your child completes and returns their homework on time.

5 Ways to Wellbeing

Connect, Get Active, Take Notice, Keep Learning and Give...

Throughout the autumn term we will be promoting all of the above through our bespoke curriculum offer which will include celebrating anti-bullying week starting on 16th November, a visit to The Hancock Museum during the same week and of course our annual pantomime visit in December.

RHE (Relationships & Health Education)

Relationships and Health Education is promoted through structured, age-appropriate classroom lessons and integrated into our wider school ethos.

After School Clubs

To attend, clubs will cost £5 per half term (payable via Arbor).

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Club Offer	Foundation of Light	Arts & Crafts	Mini Warriors	Dance	Foundation of Light
Time	3.00 – 4.00pm				

Telephone: 0191 528 3058 | Website: www.broadwayjuniorschool.com | X: @broadwayjuniors

Headteacher: Mr. D Walton-Jonas

Our Curriculum in Year 4 this term...

In reading we will...
Investigate features of a text and how they affect the reader.
In writing we will...
Plan and write our own version of a familiar story with a focus on varied and rich vocabulary.
In mathematics we will...
Add and subtract numbers with up to three digits using a formal written method exchanging as required. Read, write, order and round 4-digit numbers. Calculate the Perimeter of 2d shapes. Know all x tables.
In science we will...
Recognise that sounds are made through vibrations. Find patterns with pitch and volume. Construct a simple electrical circuit. Recognise common conductors and insulators
In RE we will...
Research the 'Trinity' and why it is so important to Christians and how Christians show their beliefs about God the Trinity in worship. Discover what Hindus believe God is like.
In geography and history we will...
Research and study Ancient Greek life, achievements and their influence. Understand the key elements and features of a river and to know the names and key information of the world's main rivers.
In PE we will...
Work on jumping, landing, co-ordination and footwork skills. Persevere with a task and improve performances through regular repetition.
In music we will...
Listen to music with pentatonics. Play and perform in solo and ensemble contexts, using their voices and 5 note pentatonic scales. Create soundscapes linked to different pieces of music.
In art and DT we will...
Explore how different materials can be shaped and joined and create our own 3D sculptures. We will also investigate a range of biscuits before designing, making and evaluating some of our own.
In French we will...
Learn how to introduce ourselves to others and talk about ourselves and our families.
In computing we will...
Internet safety: Lessons will teach children how to search for information about people online and understand how that data can be created, copied, or shared by others. Unpacking hardware and Animation: Children will explore how computer hardware and software interact to complete tasks while deepening their understanding of technology systems.
In PSHE/RHE we will...
Learn to identify respectful behaviour, build trust, navigate friendship challenges and understand the impact of stereotypes and bullying. Additionally, we will explore how healthy habits, a growth mindset and kindness support overall physical and mental wellbeing.

Please speak with Mrs Giles or Mr Lindsteadt directly if you have any specific questions about the intended curriculum in your child's year group.

We look forward to welcoming you all to the school for our events in the coming weeks and months. Please remember to keep up to date with the monthly Broadway Bulletin and ensure we have your correct contact details at all times so you remain well informed.
